

Figure 1

This graph presents the relative weight of the different Sustainability Mindset Principles across all participants.

# WHAT THIS TELLS YOU

Think of this as a map of your group as a whole. Which are their strongest areas? Which aspects of a Sustainability Mindset could be reinforced or further developed? Use this information to plan your activities with your group.

This is the profile of your group at the beginning of your program/course. All other graphs in the following pages reflect also the beginning.
