

The changes in cognitive, behavioral and affective aspects of your group are shown the next graph (Fig. 19), together with the percentage changes given in Table 2.

Figure 19

| CBA Pre/Post | Percent Change |
|--------------|----------------|
| Cognitive    | 50%            |
| Behavioral   | 4%             |
| Affective    | 20%            |
