## **PRINCIPLE #5**

## **FLOW IN CYCLES**

There are no linear processes in Nature: Everything flows in cycles of birth, growth, death, and rebirth. Many aspects of manmade unsustainability of the planet are a result of the misconception that we are not governed by this law of Nature.

## WHAT IS ASSESSED HERE:

HOW WE BALANCE OUR CAPACITY TO ANALYZE AND PLAN
WITH THE UNDERSTANDING OF NATURAL CYCLES, AND
MAKE THEM PART OF OUR MINDSET.
